If weather is good will hit pool for a little then head to Salamander Grille in the main clubhouse for dinner.

Saturday

Breakfast is included in main clubhouse. For after the round feel free to ask Andrew or me about playing another round on property. Bikes are available for rent and there's a ton of other things to do around the property. Pool is always a good option if weather is good.

Dinner reservation is at 7 PM at the Steakhouse.

Sunday

Breakfast available at main clubhouse. Please stick around for a quick lunch and awards ceremony. We promise to be brief in our ceremony, and feel free to stick around and celebrate/hangout, but we would love to have everyone there for the presentations.
